John Robert Beverly, Sr

John Robert Beverly, Sr. went home to be with our Lord at the young age of 65. A current resident of Bountiful UT, he grew up in Florida before moving to Georgia. As a young man, he was Sergeant in the United States Army and served overseas before joining the US Postal Service, retiring in 2002. Not one to settle down, he became a school bus driver and was loved by all he transported and spoke with. He was an avid painter of landscapes and nature. He loved being outdoors, fishing, hunting, and was always willing to help others when the opportunity arose. He was a devoted Christian and assisted with many youth groups and church events. He will be missed by all.

He is survived by his wife, Sharon, of 23 years, his mother, Nina, his siblings, Gerald (Susan), Wanda Kramp, Nina Lee (Ken Carberry), and James (Vickie) his two sons' - John, Jr., And Andrew. Five grandchildren - Jimmi, Jordan, Jacob, Jasper and Joseph. Along with his nieces and nephews - Krista, Kevin, Brian, Miss Nina, Karen, Kenneth, Jared and Marrisa.

A memorial service will be held at the Church of Jesus Christ of Latter Day Saints, 1250 S. Main Street in Bountiful, Utah, Saturday, June 30th at 10:00am.

Also, on Monday, July 9th at 10:00am at Cape Canaveral National Cemetery in Mims Florida.

In lieu of flowers, the family has requested donations be made to a service group to help support veterans.

Tooth Fairy Times

Volume 27, June/July 2018

NO CAVITY CLUB

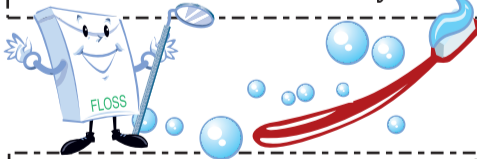

Here's how to become a member of our new "No Cavity Club"...

*Be cavity free at your next dental exam... or

*Complete your treatment plan. Once you become a member of the **No Cavity Club** you are eligible for a drawing for really cool prizes and surprises that are just for our exclusive club members!

Your job is to brush and floss twice a day, and remind your parent to bring you to the dentist for your appointments.

We can't wait for you to become the next member of the **No Cavity Club!**

Dr. Frazier Facts

- Americans spend \$100 billion per year on hair care products and only \$2 billion a year on dental care products.

- Like your fingerprints, everyone has a unique set of teeth, even identical twins.

- In early America, blacksmiths often also served as dentists.

PASS Receives Outstanding Yearly Evaluation

The Patriot Academy for School Success is funded by a 21st Century Grant. The purpose of the grant is to provide afterschool assistance to at risk-students. To successfully administer the program, the following goals were established:

1. Improve the academic performance of students
2. Increase positive student behavior including regular school attendance
3. Increase family engagement

To achieve these goals, twelve objectives were defined and are annually evaluated by Norris Consulting firm, our outside evaluator. A third party evaluator is used to ensure quality and growth of the program. **This year's evaluation report reflects that the Patriot Academy for School Success met or exceeded all twelve objectives for the third consecutive year.**

We are appreciative of the commitment and cooperation of administration and staff between regular day and the afterschool program. In addition, students, parents, partners and community volunteers contribute greatly to the success and positive evaluation of our program.

The PASS program continues to provide a safe environment for children to receive academic tutoring, small group support and a variety of enriching activities. Through our community partners and volunteers we are able to offer guest speakers, special programs and incentives/rewards for students. In addition, children receive nutritious meals and snacks. Bus transportation is provided as needed.

As we wrap up the Summer School program and make plans for fall, we welcome new and returning students. If your child or another student you know would benefit from the PASS program, please contact your child's principal or school counselor. In addition, we are happy to announce that the PASS program will continue to serve grades **Pre-K through 12**. As we move into the new school, we anticipate new technology and ongoing improvements for our students and families.

Woodmen of the World Serves First Responders

"Great Expectations" was the topic of the First Responders Banquet June 19, 2018. Rev. Amy Carter spoke to members of the Rochelle Police Department, Rochelle Fire Department, and Wilcox Emergency Services. She said we expected them to be cool, calm, and respond perfectly without regard for their own safety or self-preservation. She went on to say, "Thank you" which she admitted "us ordinary folks" don't say enough.

The First Responders were fed dinner then afterward Vickie Brown sang an original song to the tune "Hallelujah". She also testified about the life-saving action taken by Richard Sneed and Herman Greene of which she benefited. Her thank you was very emotional.

Alice McBryant and Tara Shedd presented gifts to the Directors of the three agencies. Gifts included bottle water and two tubs filled with cips, crackers, nuts, candy, and cookies. Food for when their isn't time to eat because of calls.

Chief of Police Mickey Police Mickey Barfield spoke of behalf of the Police Department and thanked the Woodmen of the World for their support through the years.

After the banquet, the Woodmen of the World Chapter 1853 voted to purchase to body camera for the Police Department, a bullet proof vest for the new female deputy of the sheriff's department and gave money to Charles Futch to purchase CPR Mannequins so that he or members of EMS can lead CPR classes in the community.

Alice McBryant-Woodmen, EMS Director Charles Futch, Rochelle Fire Chief Wayne McGuinty, Rochelle Police Chief Mickey Barfield, and Tara Shedd with Woodmen
