Acts of Love Uganda  
Presents  
**THE HARMONICS**  
UGANDA  
**CONCERT**

**PRAISE WORSHIP ACAPELLA**

**August 12, 2018**

**10:45am**

**Pope City Baptist Church**

**15213 Hwy 112 N Rochelle, GA**

The Harmonics Uganda is a Christian acapella group from Uganda. They arrived in the United States in February of this year and have been touring all over the U.S. raising funds for the ministry, "Acts of Love Uganda".

Please join us for this service where this group of young men will sing some of your favorite Christian songs both in African and American styles. The concert is packed with both heart-warming and high energy music. There will be something for every member of the family!

For more information contact:

# New PK-12 School Opening Tips

We received the permanent certificate of occupancy this past week and phones are now operational. Open house is confirmed for Wednesday August 1, 2018 from 1:00p.m. 6:00p.m. The first day of school is Friday August 3, 2018.

Please see the tips below to ensure a great start in our new school building. We are looking forward to the 2018-2019 school year!

- Traffic Flow: All cars and buses will enter and exit at the intersection of American Legion and Hwy 215 South. Parent traffic will turn right at the first loop while buses will continue straight and pick up and drop off students behind the school. Follow the signs posted. Law enforcement and school staff will be present to help control traffic flow.
  - Parent Drop Off and Parent Pick Up: All students riding in automobiles to and from school will be dropped off and picked up in front of the school. PK-4th grade will be picked up and dropped off at the first awning, 5th-8th grade students will be dropped off at the main school entrance, and 9th-12th grade students will be picked up and dropped off at the last awning. Drop off and pick up lanes are two wide across the front of the school with the third lane reserved to ensure smooth traffic flow. Please follow the signs carefully and be patient as school staff also learn the new procedures.
  - Early Drop Off: Students should NOT be dropped off at school before 7:20a.m. unless previous arrangements have been made with the building principal. All students arriving before 7:30a.m. will go to the lunchroom and remain in the lunchroom until 7:35a.m.
  - Early Pick Up: Students are in class until 3:06 p.m. Please do not come into the school to check out your child early.
  - Classroom Rosters: Each teacher's homeroom/1st period roster will be posted on the wall directly inside the front doors. Signs identifying hallways and grade levels will be inside and outside of the school.
  - School Security: Be prepared to present a picture identification if you need to access the school beyond the front office during the school year.
  - First Day of School: The first day of school is Friday, August 3rd. All students should report directly to their homeroom/1st period class on the first day of school.
  - Parents Walking Children to Class: August 10th will be the last day parents will be allowed to park and walk children to class. School staff will ensure that students reach the right classroom. After a week in the new school, most students will be able to independently find their classrooms.
  - Additional Reminders: As school gets underway, we will be fine tuning all of the control systems operating in the building and adding finishing touches. Therefore, students may see:
    - Staff running tests and balances on heating and air conditioning;
    - Staff from Matrix hanging interior graphics;
    - Painters touching up door frames, wall art, etc.;
    - Contractors delivering furniture to finish the media center;
    - Individuals working to establish grass and finish landscaping;
    - Dirt haulers removing the large pile of dirt on the north west end of the school to build up the road for the 7th avenue extension; and
    - Large equipment clearing the existing pecan orchard of debris and grading other locations on the school site.
- We want parents and children to visit our new school! We ask that community members wait to visit until we have the official ribbon cutting late August or early September. We will announce the ribbon cutting well in advance on our Facebook page, in “The Wilcox Marketer” and via our One Call Now notification system. Thank you for remaining positive and supportive as we all adjust to our new location.

## Navigating the New School Building

A new school BINGO card is printed below. The “WC” logo is a free space. During open house, students and parents can find the individuals/spaces on the BINGO card and obtain their initials or a sticker. Once the card is complete, drop it in the boxes at the front office. One student per grade level will be drawn to receive a prize. We hope this encourages students and parents to visit all corners of the new school.

**Community Prayer Service  
for Wilcox County Schools**  
Wednesday, August 1st 6:30-7:00pm  
(Following Open House)
